Testimonials

First Time Homebuyers

“Mark and Sharif are the first people we talked with about buying a home. Immediately following our first meeting, a home buying seminar on a cold winter’s night, Mark and Sharif followed up with us. We loved their follow thru and persistence. This was the thing that we needed to actually put our hopes and dreams into action.”

Throughout the entire process they were responsive to our questions, receptive to our budget, and understanding of our needs and wants. They never made us feel like we were disturbing them when we had late night or early morning questions. They were always willing to put us as their clients first.” - First Time Homebuyers

“While I believe that any realtor and lender would likely have presented a “good case” at the seminar, I felt that Sharif and Mark really went the extra mile to fully and properly answer questions. I also appreciated that both of them specialize in assisting first time homeowners. We have a lot more questions and need a lot more hand-holding. I never felt rushed or felt like any question I

asked was stupid. Both Mark and Sharif took my calls in the evening, and on the weekends. They were willing to work with my crazy schedule, which I definitely appreciated.” - First Time Homebuyers

“We learned about the DC Open Door home buying seminar and decided to attend. Once we learned we could qualify for this down payment program, the interest rate was low, and that home prices in DC were shooting up quickly we decided to move forward with the buying a home. We worked with Sharif and Mark because it was very clear in that they were both very experienced in the home search and loan approval process. I liked that they moved us through going into

contract quickly when we found a home we both loved and then moved us through the home loan approval process quickly and we met our settlement date goal! “ - First Time Homebuyers
